

#BIENVENIDOESCAZU

Este 22 de abril entra en vigor el Acuerdo de Escazú
¡Algunos miembros de GPPAC nos cuentan por qué es relevante!

ART.9 PROTECCIÓN A PERSONAS DEFENSORAS

No Brasil, defensores do meio ambiente e do clima estão sendo criminalizados e agredidos. O Acordo de Escazú tem o potencial de **garantir sua participação** e o acesso à informação transparente nos processos de tomada de decisão relacionados aos projetos e atividades com significativo impacto ambiental.

-Gabrielle Alves
Plataforma CIPO

ART.7

PARTICIPACIÓN PÚBLICA

The implementation of Escazu Agreement will provide important learning on human rights-based approach to climate change and **redesign the table** to include everyone in climate action.

-Sharon Bhagwan Rolls
GPPAC Pacific

ART.5 Y 6 ACCESO A LA INFORMACIÓN Y DIVULGACIÓN INFORMATIVA

Effective action on climate change and sustaining peace must **ensure local peacebuilders access to information** as it serves as foundation for inclusive and impactful participation in environmental decision making, policy formulation and access to justice.

-Nqobile Moyo
GPPAC Southern Africa

ART.10

FORTALECIMIENTO DE CAPACIDADES

This day should be acknowledged around the world because climate change is a global issue and the implementation of the Escazu Agreement is a critical step towards **mobilizing global action**.

-Victoria Carreras Lloveras
GPPAC Global

Ensuring that the Escazu Agreement is implemented will provide **stability and resilience** to the region and set a strong example for other regions to follow.

-Johanna Hilbert
GPPAC Global

El cambio climático nos afecta a todas y todos. Nuestro planeta requiere de personas informadas, participando y defendiendo nuestro entorno con paz y seguridad.

Por eso decimos
